

Dear Parents of Seventh and Eighth Grade Students,

I hope you had a wonderful semester and are looking forward to the rest of the year. I would like to share an event with you that I would strongly encourage your student to attend.

The **Pius X Winter Band Concert is on February 10th**. We are inviting 7th and 8th grade students and current 7th & 8th grade band students to participate in a concert with us. The students will be playing one or two pieces with us. We will invite the students to come down from the audience and perform this piece with our Symphonic Winds band. Students will receive the music prior to the concert from their band teachers. Each band is working on some special pieces for the afternoon and we are excited to share and play with your student.

We hope this event will help give your student a glimpse of what high school band is like. I strongly encourage your student to participate in this event if possible. We are also excited to have the opportunity to meet your student and answer questions.
