

Every BODY Matters

FOR SCHOOL ADMINISTRATORS, TEACHERS, STAFF AND PARENTS

Don't miss these practical seminars—help your students navigate today's changing culture!

Join us to hear international speaker **Monica Ashour** present stories, statistics, and objectives about good choices that prepare students for healthy, whole, and harmonious lives. No matter what race, creed, or age, the body is central to one's health and well-being—every BODY matters!

A Holistic Approach to the Human Person

Two day seminar

Wednesday-Thursday, June 20–21, 2018 9:00am to 3:00pm both days

For an in-depth look at Every BODY Matters, this two-day seminar will give a foundation for understanding the meaning and value of our human bodies and then extend into covering more sensitive topics. Learn how to build self-assurance, confidence, and social skills through an understanding of the human body in children Pre-school to 8th grade.

Setting Students Up for Success

One day seminar

Friday, June 22, 2018 9:00am to 3:00pm

Help your students to recognize their true identity and dignity by a deeper understanding of the human body. Build self-knowledge, compassion and social awareness in children Pre-school to 8th grade.

Evening Bonus Presentations

Bonus Talk 1: Parents' Night

Wednesday, June 20 7:00 to 8:30pm

Parents, discover ways to help your children (preschool-teen) recognize the dignity and self-worth they have by understanding the message their bodies convey to themselves and others.

Bonus Talk 2: A Mini-Seminar for Educators

Thursday, June 21 7:00-8:30pm

Whether you teach full-time or instruct groups of children for events or clubs, you can gain valuable insights as well. Help form your students' perceptions of themselves and the world around them by learning how to "read" the human body in all its fullness. For grades PreK-8.
