LATE REGISTRATION (ONLINE ONLY): Feb 18 – March 3. \$25 late fee added for U6-U14 divisions. After March 3, no registrations for our U6-U14 divisions will be accepted. No exceptions.

U16 HIGH SCHOOL DIVISION: See the U16 page of the website for information on the additional registration period in April/May.

Go to **www.jrsaltdogs.com** for additional registration details.

We plan to begin using Facebook (*JrSaltdogs*) and Twitter (*@jrsaltdogs*) this season. Please follow us.

REGISTRATION: Players can (but are not required) to attend in-person registration with a parent.

SHIRTS: For 2018 we will continue to use dri-fit shirts. Samples in each size will be available at all the in-person registrations.

BATS: New bat rules are in effect for the 2018 season - see the home page of the website for details. U6-U8 bats will not require an inspection or sticker. U16 bats that already have our green "approved" sticker from a previous season are good to go for the 2018 season. **All U10-U14 bats (even if they already have a white JSL "approved" sticker from a previous season) must be re-inspected and re-stickered (a new sticker color will be used).**

Inspections will be done at the in-person registrations and at a few days in early May (to be posted on the website later). After that time, bat inspections will be VERY limited and will not be done on a regular basis at game field locations so we highly recommend that you have it done in February or early May.
