

8th Grade Fundraiser

8th grade year is full of great experiences that help to send our children off with joy and fanfare. Each year the students enjoy a field trip to the fun day of their choice. Their graduation ceremony is beautiful and topped with a party afterwards, including great food, thoughtful gifts and a keepsake yearbook for the grads. All of these elements of graduation help to make the 8th grade year special. Though we do not ask our eighth grade families to contribute financially to these events, we do request help in raising funds to cover the cost of these events.

Our big fundraiser this year will be running the Snack Shack at 15 home games in our gym, including girls volleyball as well as boys and girls basketball.

*This is a one-time, three or four-hour commitment we are asking of each 8th grade family. While we cannot require this time of any family, we hope we can count on each to give one evening. If each family shares the burden of one night, all of the times will be covered. A decision **not** to participate will require other parents to raise funds for your child. Please prayerfully consider. We appreciate your help!*

Please indicate for which season you would like to be contacted to assist at the Snack Shack. Signing up for a sport your child plays in will require you work the Snack Shack during your child's game. If you would like to avoid missing a game, please sign up for a season during which your child will not be involved. You can sign up for more than one season/night but will only be required to work one night, assuming everyone takes a time.

8th grader's name: _____

Name of parent to contact: _____

Best phone number: _____

Best email: _____

GIRLS VOLLEYBALL 5:30 - 8:30

(Check the date(s) you prefer. You will only be assigned one night. You will be contacted when the schedule is set.)
