Faith Community Academic Excellence

November 29, 2017

Dear Parents,

November 26, 2017 was a renowned day in the life of our Community! After 41 years in existence, we were raised up to a Religious Institute of Diocesan Right. What a grace-filled day! Words cannot describe this moment to its fullest, but I will try. After the Liturgy of the Word, Bishop Conley asked us: "My dear Sisters, by the waters of Baptism and the gifts of the Holy Spirit, you have already been consecrated to God's service. Are you resolved to unite yourself more deeply to God, to one another, and to the church by the new bond as a member of the Religious Institute of the School Sisters of Christ the King?" We proceeded to say we were resolved and how we would do that. You are included in this resolve. We are here to serve God first, Who is the King and center of our hearts. We recommitted ourselves to serve our Sisters, in both the good and difficult times, and to serve you through our service to your children here at St. Teresa School to enable them to grow in holiness and become apostles for Christ the King! We were so humbled to have so many people come and help us celebrate at Mass. Thank you to all who could not attend but kept us in your prayers! The Cathedral was full. We were also grateful to those who supported us by providing for the reception after Mass and our dinner that evening. The room looked beautiful as we celebrated with our families, the priests, and the Sisters in the Diocese. God will bless you all! Let us continue to pray for each other in building up the Kingdom of God!

In the Heart of the King, I am,
Sister Anne Joelle, CK
